Puzielli Real Estate Agency offers a farmhouse for sale in Carassai, in the Marche region, nestled in the beautiful hills of the Marche region. The property comprises two separate structures: the main farmhouse, spread over two levels with a total area of approximately 180 square meters, and a second structure used as an agricultural shed of approximately 50 square meters. The property also includes an outdoor courtyard of approximately 2,500 square meters. There is also the option to purchase adjacent agricultural land separately, at a price to be agreed upon.

The property requires complete renovation; the ideal solution would be demolition and subsequent reconstruction, maintaining the traditional style of a Marche farmhouse. The fixtures, shutters, front door, interior doors, electrical system, heating system, and bathrooms require complete renovation.

The property is located in a splendid panoramic position in the municipality of Carassai, in the province of Ascoli Piceno, in the Marche region. The area offers 360-degree views of the Marche hills, the surrounding villages, and the Sibillini Mountains. amenities. The Adriatic coast is about a 20-minute drive away, while the Sibillini Mountains are about 35 minutes away.
