The Puzielli Real Estate Agency offers a farm with farmhouse and vineyard in the Marche region. The farmhouse is on two levels for a total of approximately 320 m2. The property has been partially renovated. It is possible to recover the existing building while maintaining the typical architecture. The property includes land with 73,000 m2 of vineyards and approximately 20,000 m2 of forest.

The farmhouse was built in 1800 in Marche style. It is possible to carry out a restoration while maintaining the existing building. In the area it is possible to build a swimming pool. This farmhouse, of undoubted charm, was built at the time with a load-bearing masonry structure.
